

WEEK one

HOPE

Jesus is the HOPE of the world. In the book of Isaiah we read how the people were waiting, they were expecting, they were hopeful God was sending someone to save them! Today, He has come, *He is here! Jesus!* We don't have to wait any longer! He has come! The Christmas season is full of hustle and bustle. Our heart through these Advent pages is to offer some options that may help our families be reminded and our minds be renewed on the Person of Christmas.

What names does God reveal for Jesus in these verses? How do you see Jesus being these things to you today?
